Boyne City, MI 49712
(231) 392-6530
cnbarsy@gmail.com

Each Parks and Rec Committee member was given a binder containing the Bay Master Plan, Bay Township survey and the Bay Township Recreation Plan. An introduction was made and a general discussion followed on the opportunities the new board could explore in the area of grants that pertain to Parks and Rec that will better our community. This would include going after county park millage and grant monies to help make Bay Township residents and visitors an opportunity to best utilize the best of what we have to offer.

Moeschke explained that this committee has been formed to take a fresh look at the possibilities that are out there now and in the future. The basic guidelines would be to explore, present ideas to the Board of Trustees for consideration and if given the go ahead to pursue the available funding. The key is open communication with the board and committee.

Suggestions from the Board included but not limited to:

- Walking path on Zenith Heights Rd.
- Fountain, picnic table, bike rack, etc at the Hall for the Non – motorized trail coming through Horton Bay spring of 2022
- Park Bench at Wildwood Harbor on Walloon Lake access site.
- Working with Walloon Lake Trust and Conservancy, and Camp Michigania for adjoining properties to expand Sumner Rd. boat launch
- Horton Bay School House

The first meeting of the Parks & Rec committee will be held on Monday, November 22, 2021 at 6:00 PM.
