Since 2014, Patrick McCleary and Georganna Monk have been compiling photographs, biographical material and military memorabilia on the 55 veterans interred in our Bay Township Cemeteries. It is their hope to see this material published in the future- creating a lasting memorial tribute to all of our Bay Township veterans. They would like to take this opportunity to thank the many families and friends who have already contributed information, and also reach out to others who would like to assist them in documenting the lives and military careers of our Bay Township veterans. If you can assist with photographs or other materials, please contact Patrick at 231-268-8712 or Georganna at 231-883-9867. Thank You!

The wreath laying, held annually on a Saturday in December, was unanimously voted by the US Congress as "Wreaths Across America™ Day". **Wreaths Across America™ would not be successful without the help of the volunteers, many active organizations and the generosity of the trucking industry.** We are very excited to share that we currently have over 5,594 locations registered to participate in National Wreaths Across America Day this year!
